

LOCAL OFFER

SERVICES AND INFORMATION FOR
CHILDREN WITH SEND AND THEIR FAMILIES

The SEND Local Offer in Redcar & Cleveland

The SEND Local Offer provides information for children and young people aged 0-25 years for children and young people with a special educational need and/or disability (SEND), and the people who care for them. It includes information about specialist education, health and care provision, accessible and inclusive activities, support services and post 16 education and training opportunities.

Redcar & Cleveland Disability Register

The disability register is a database that holds information about children and young people with disabilities who live in Redcar and Cleveland. The Children's Act 1989 requires us to keep a register. The register helps us to plan and develop services for children and young people with disabilities, it helps us to know who we have, where they are and what they may need to support them. In addition to planning, the register also helps us to involve and inform families as well as keep in touch and share news and information.
