Dear Families,

Save Humpty Dumpty!

All plans had to be put aside yesterday when we received an urgent plea from all the king's men that they could not put Humpty Dumpty back together again, and needed our help. Our fantastic scientists from across school used all of their talents to find ways of helping. Phew - what a relief for all, especially poor Humpty!

Nursery Places

We are in the unusual position of having some afternoon Nursery places available next year. If you know of any families seeking a school Nursery place who you think may be interested in applying for a place at Westgarth, please do pass on our school contact details, as outlined on this letterhead. Informal visits can be arranged by contacting school. Children are eligible for a free 15 hour Nursery place the term following their 3rd birthday.

Local Offer

Please find attached information about the Local Offer for families with children with special educational needs and disabilities. Further information about support specific to Westgarth can be found on our website in the "Key Information - SEND" tab.

Curriculum Maps

A reminder that parent friendly information about each year group's termly curriculum is also available on our website in the "Our Curriculum - Topic Maps" tab.

Local Activities

Please find attached posters advertising a local performing arts group with places available for interested children after the Easter break, and details of Easter break activities with Marske United.

Wishing you all a lovely Easter break. We look forward to the children's return to school on Monday 25th April.

Yours sincerely,

Mrs J Woodhead
Headteacher
