

Westgarth Primary School

Summer Term Curriculum Map - Year 3

Topic Overview - Here Comes The Sun!		English	
<p>The Big Idea...</p> <p>Through our topic 'Here Comes The Sun' we will be exploring Light, The Egyptians and The Sun! The children will be investigating light and shadows alongside researching our earlier ancestors in Egypt!</p>		<p>In literacy, we will be concentrating on developing the technical aspects of our writing. We will concentrate on our non-negotiables, and look at how we can improve our writing styles using interesting vocabulary choices and careful grammatical considerations.</p> <p>We will start to have handwriting homework to help us develop our joined writing styles.</p>	
Mathematics		Science	
<p>We will begin the summer term by learning all about fractions. We will need to draw on our knowledge of times tables for this, so please continue to practise hard!</p> <p>We will then be moving on to looking at time.</p>		<p>We will look at the topics of light and Animals, including humans. Our science lessons will initially focus on light and shadows, before progressing to look at skeletons and what makes us healthy!</p>	
Geography	History	Computing	Art and Design
<p>AT Peat Rigg, we will have chance to practise using our map skills!</p>	<p>As historians we will be recognising similarities and differences from the past, using questioning and research to develop knowledge - looking at the achievements of the Ancient Egyptians.</p>	<p>We will continue to use our iPads to help with our work in all subjects, alongside looking into some coding!</p>	<p>As artists, we will be learning about influential artists in the past and continuing to improve techniques such as sketching and painting.</p>
RE	Music	Physical Education	Languages
<p>Our RE lessons will focus on developing our knowledge of some of the different holy books, as well as familiarising ourselves with some of Jesus' parables, and what they mean to Christians.</p>	<p>As musicians, we will continue to learn about rhythm and layers of music.</p>	<p>We will be looking at the fundamental skills of balance and agility.</p> <p>We will develop our ball skills, as well as practising for Sports Morning!</p>	<p>In French lessons, we will have a chance to learn more colours, and start to name parts of the body.</p>
PSHE/RSE		Enrichment activities	
<p>In RSE, we will look at how to keep ourselves safe and healthy, especially in regards to the sun and identifying hazards and risk.</p>		<p>Our day visit to Peat Rigg! Continuing our chess lessons with Mr Marsh and Mrs Lloyd. Jubilee celebrations and open day</p>
