

Westgarth Primary School Maths Curriculum Map																																									
	1	2	3	4	5	6	7	8	9	10	11	12	13	14																											
Y1	Place Value (within 10)				Addition and subtraction (Within 10)						Place Value (within 20)		Addition and Subtraction (within 20)			Place Value (within 50)				Place Value (within 100)		Multiplication and Division 2s 5s 10s		Fractions		Position and Direction	Weight and Volume	Money		Shape		Time		Length & Height							
Y2	Place Value						Addition				2D Shape		Addition and Subtraction	Subtraction		Multiplication		Doubling / halving	Division		Fractions		Shape	Money		Time		Pattern	Weight	Capacity	Statistics		Position and Direction	Length and Height	Temperature	Consolidation					
Y3	Number and Place Value			Addition			Subtraction			Multiplication		Multiplication and division				Fractions				Length and Perimeter		Time and Money		Money	Shape		Statistics	Consolidation	Consolidation	Consolidation											
Y4	Number and Place Value			Addition			Subtraction			Multiplication		Multiplication & Division				Fractions				Measurement	Perimeter and area		Time		Position and direction		Shape		Statistics	Consolidation	Consolidation	Consolidation									
Y5	Number and Place value			Addition and Subtraction		Perimeter	Multiplication (Division links)		Area		Statistics		Consolidation	Division (Multiplication links)			Fractions				Consolidation		Decimals and percentages			Consolidation	Properties of shape		Position and Direction		Converting measurements		Volume	Consolidation	Consolidation						
Y6	Baseline Assessment	Number and Place Value			Addition and Subtraction		Multiplication			Division			Negative Numbers	Fractions	Coordinates and Symmetry	Fractions			Decimals	Decimals	Percentages	Shape	Triangles	Measurement	Perimeter	Area	Volume	Circles	Data	Ration, proportion / mean		SATs	Ratio	Measurement	Averages		Data	Volume	Algebra	KS3 Prep	KS3 Prep
